[Photoshop] [InDesign] [Dreamweaver] [Illustrator] [Paradigm]

Have you previously worked in a lab before? [Yes] or [No]

If yes, please provide

Start & End Date: _____

PI's Full Name: _____ E-mail: _____

Expectations

RA duties may include, but are not limited to: being on time, completing CITI IRB training, updating the SONA system, helping maintain accurate and confidential records, checking e-mail daily, attending regular meetings, maintaining a clean and productive environment, summarizing deliverables, completing library research activities, eye tracking training, and data collection.

Experienced RAs will be encouraged to generate their own thesis, prepare the necessary experimental materials, and collect and analyze data with the goal of presenting their findings at a research conference.

Deliver to

The best time to submit an application for review is BEFORE December for the Spring semester or BEFORE May for the Fall semester. Please deliver this completed application to Dr. Jeremiah Still's office. He is located in Mills Godwin 346. If you have questions about the lab or the competitive selection process please schedule a meeting with Dr. Still < jstill@odu.edu >.

By signing this application, I confirm that the provided information is accurate and complete. I understand that any misrepresentation can result in removal from the applicant pool or later the laboratory.
